

Capital Region Economic Development Council Combined Awards - Rounds I, II, and III

**Supporting data on Page 2*

According to the chart - in Rounds I, II, and III - most of the awards were made directly to business entities and not-for-profit institutions. A close majority was distributed for regional benefit. The actual direct benefit to the City of Albany was only about 7% of the total awards made and went to infrastructure programs that have historically been in place.
